White Belt to Yellow Tag Sparring

Three Step Sparring – **Sambo Matsogi**

General Points

The attacker steps forward three times in a walking stance. The defender steps back three times in a walking stance. The pattern of the feet should go, attackers foot outside, inside, outside.

Line up by:

Attacker placing front foot of walking stance parallel to defenders foot while in Parallel Ready Stance for partners of the same height.

If the attacker is taller then the walking stance should be in front of the defender (toes of walking stance next to toes of defenders foot while in Parallel Ready Stance.

If the attacker is shorter then the walking stance should be to the back of the defender (heel of front foot in walking stance next to heel of defenders foot while in Parallel Ready Stance.

Attacker kihaps when ready to attack, the defender then kihaps when ready.

Footwork

Attacker: steps forward into right walking stance.

Defender: steps back into a left walking stance.

Attacker: steps forward into a left walking stance.

Defender: steps back into a right walking stance.

Attacker: steps forward into a right walking stance.

Defender: steps back into a left walking stance.

Semi Free Sparring – **Banjayu Matsogi**

Ready position for both attacker and defender move right leg back to L-stance forearm guarding block.

Attacker kihaps when ready to attack, the defender then kihaps when ready.

Attacker: steps forward with three kicks and finishes in guarding block

Defender: steps back blocking or moving out the way of the kicks. Counters with a kick and lands in forearm guarding block. Kihap on finish.
